PHYSICAL TBR

6 STEP PROCESS

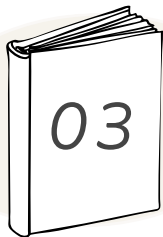

STEP ONE

Round up your to-be-read books and see what you've got.

STEP TWO

Grab your supplies: brown paper, scissors, tape, a jar, and a pen for numbering.

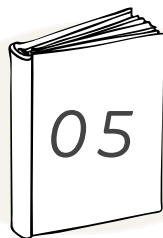

STEP THREE

Wrap each book in brown paper and give it a unique number.

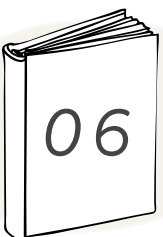

STEP FOUR

Cut out the numbers you need in this pack and toss them into a jar.

STEP FIVE

Give the jar a shake, pick a slip at random, and unwrap your next literary adventure!

STEP SIX

Dive into your chosen book!

Full and detailed instructions on
the next two pages

INSTRUCTIONS

STEP 1: EXPORT YOUR BOOKS FROM GOODREADS

1. Go to Goodreads and sign in to your account.
2. Click on 'My Books' from the menu at the top of the page.
3. Scroll down to the bottom of the page and click the 'Import and export' link on the left-hand side.
4. On the 'Import/Export' page, click the 'Export Library' button. Goodreads will generate a CSV file of your library.
5. Once the export is complete, click the link that Goodreads created under the Export Library button. It will look something like this: 'Your export from 04/26/2023 - 13:51'.

STEP 2: IMPORT YOUR DATA INTO THE SPREADSHEET

1. Make a copy of the spreadsheet by clicking on this link: [TBR Brown Paper Challenge Digital](#)
2. Make sure the 'Import' sheet is selected (you can find this at the bottom of the page) and cell A1 is clicked.
3. Click on 'File' in the top left corner, then click 'Import.'
4. In the 'Import file' window, click 'Upload,' then 'Select a file from your device.'
5. Find and select the CSV file you downloaded from Goodreads, and click 'Open.'
6. In the 'Import file' settings, choose 'Replace data at selected cell,' then click 'Import data.' The CSV data will replace the existing data in the sheet starting from the selected cell, which should be A1.

STEP 3: GENERATE YOUR RANDOM BOOK

1. Select the 'TBR Books' sheet (you can find this at the bottom of the page).
2. Here you'll see all of your to-read books pulled into a table.
3. On the right is your next TBR read. Refresh the sheet to get a new one!

THE STORYGRAPH

INSTRUCTIONS

STEP 1: EXPORT YOUR BOOKS FROM THE STORYGRAPH

1. Go to The StoryGraph and sign in to your account.
2. Click on your profile image at the top right of the page.
3. Then click Manage Account.
4. Scroll down until you get to the Manage Your Data section and click Export StoryGraph Library.
5. Click the Generate export button, and The StoryGraph will send you an email once your export is ready.
6. When ready, click the link in The StoryGraph to download your export file.

STEP 2: IMPORT YOUR DATA INTO THE SPREADSHEET
